### PROFIL

Mahasiswa statistika di Universitas Sebelas Maret. Memiliki keunggulan dibidang aritmatika dan numerik dan berkomitmen serta bertanggung jawab terhadap setiap hal yang diamanahkan kepada saya. Selain itu saya memiliki beberapa hard skill yang menjadi kelebihan saya diantaranya dalam *editing application* dengan Lightroom, Photoshop, dan Premiere Pro. Dikarenakan usia saya yang masih muda saya yakin saya memiliki banyak kesempatan dan peluang untuk kedepannya, terutama dalam hal memajukan pendidikan dan sumber daya manusia di Indonesia.

### Work Experience

#### Social Statistic Intership Surakarta, Indonesia

July 2025 - Auguts 2025

*Badan Pusat Statistik*

- Managing and creating the Surakarta strategic data booklet.
- Assisting in the preparation of documents for the BPS "Desa Cantik" (Statistically Beautiful Village) program.
- Creating an infographic of the Surakarta Demographic Overview.

#### Desa Cinta Statistik Sumber Project Surakarta, Indonesia

July 2025 - August 2025

*Badan Pusat Statistik*

- Led the 'Desa Cinta Statistik' initiative under the Badan Pusat Statistik's program, focusing on rural & economic empowerment through data literacy.
- Processing survey data from questionnaires and classifying community employment data in the Sumber sub-district, which is subsequently developed into a strategic data booklet on the area's potential.
- Utilized Excel and Canva to transformed raw data into visually engaging infographics that simplify complex information.
